

Posted January 14, 2026

To Whom It May Concern:

Please note that it may take up to 4 weeks following the end of the academic semester for program completion documents to be issued by the Registrar's Office. Completion packages will be mailed to students as a physical package. Academic Schedules can be found at <https://www.okanagan.bc.ca/office-of-the-registrar/important-dates>.

A student is deemed to have completed their study program only when the program completion documents are issued and received.

Thank you,

International Education
