Have you received GIA and Applied Research Student RA funding already this year?

YES

NO

Does this project require ethical approval for the use and participation of human subjects?

YES

NO

Does this project involve Indigenous partners or communities?

YES

NO

Does this project use Okanagan College resources, space, or equipment?

YES

NO

If yes, please explain:

Priority for Applied Research Seed Grants is given (in order) to 1) new researchers looking to develop an applied research profile and 2) established researchers with a track record of external funding. Please provide a 1-2 sentence explanation of whether you meet these priority categories.

Recipients of Applied Research Seed Grants must have a plan for future funding for their project. Please describe your plans for future funding, including a timeline (max 200 words).
